GOOD TO KNOW

The fine print, all in one place, so the only surprises on event day are the fun kind.

Reservations

Reservations are required for all group packages. Custom outings are available for any group size: team building, happy hours, birthdays, holiday parties, company picnics, meetings, graduations and, for the biggest crews, whole-park buyouts.

Hours

Outside attractions close 30 minutes before close of business. When the International Buffet is closed, packages that include it serve the Napoli Express meal instead (page 5).

Food & dietary needs

Vegetarian, vegan, gluten-free and special orders are available on request when booking. Buffet catering includes iced tea, lemonade and water; platters are priced without drinks.

Unlimited Ride Pass

Unlimited Ride Passes exclude arcade games, batting cages, bowling, Putt Vegas and Revl games (billiards, darts and shuffleboard), unless your package includes them. Check height and weight requirements for attractions.

Group minimums

Most packages start at 10 guests. Gold All Access, and the Emerald upgrade, start at 25 guests.

Payment

Your Fun Planner will go over payment options and confirm every detail with you when you book, so the only thing left to do on event day is play.
